## YOUNG PEOPLE, THE FAITH AND VOCATIONAL DISCERNMENT

In the coming year, Pope Francis is inviting the Church to chart a course that will invite young people to be front and center at the upcoming Synod in the fall of 2018. The theme of the Synod is, Young People, the Faith and Vocational Discernment. It will offer the universal Church, and the Diocese of Calgary, the opportunity to examine how she might lead young people to recognize and accept the call to the fullness of life and love which can be experienced when we encounter Christ. In preparation for this Synod, young people will be asked to help identify how the Gospel touches their lives and how they might desire to participate in proclaiming this mission. Surveys are being circulated *ELECTRONICALLY* so that the perspectives of young people can become the guiding input for the Synod.
